In case you didn't know kids are really lazy.
You are going to clean up right?
Definitely not

Luckily, they are also pretty dumb.
Oh... I see

And dumb people are easy to trick.
Is it because you stink at cleaning
Excuse me?

Wow! You're sure showing me!
See! I'm good at cleaning!

See I told you I didn't stink at parenting

Wow!
You
sure
showed
me!
